23

A large, faint, light gray number '24' is centered on the page. The number is rendered in a serif font and is significantly lighter than the surrounding text, appearing as a watermark or a background element. The page also features a black line on the left side that curves at the top and then descends diagonally, and several small gray circular markers are scattered across the page.

A vertical line is positioned on the left side of the page. The line is straight from the top to about two-thirds of the way down, where it begins to curve towards the left. At the very bottom, there is a small grey dot. At the top of the page, there is another small grey dot. In the center of the page, the number '25' is written in a large, light grey, serif font.

30

A decorative curved line in black, starting from the left edge and curving upwards towards the right edge, ending at the right edge. It is positioned in the lower third of the page.

31

A thin, dark grey curved line starts from the left edge of the page, dips slightly, and then rises towards the right edge, creating a subtle wave-like pattern at the bottom of the page.
